ATTENTION DISCLAIMER—READ CAREFULLY: Auto Critic specifically disclaims any liability for any loss or damage arising or in connection with ownership or operation of any vehicle and further disclaims any liability of any hidden wreck damage or tampered components. This report is intended solely as an evaluation of components inspected at the time and date of examination. Most components of used vehicles exhibit signs of wear prior to failure. However, some components fail without warning. Consumers concerned about these kinds of mechanical problems should consider purchasing a used vehicle warranty. Any dispute or claim of any nature arising out of or relating to the evaluation performed by Auto Critic will be subject to exclusive jurisdiction of the American Arbitration Association in Dallas, Texas. No claim or dispute may be commenced in law or equity against Auto Critic or its employees in a court of competent jurisdiction, since arbitration is the exclusive remedy.
